This water based allotment is located within Lincoln County, Nevada in the southwest portion of the Ely District BLM; approximately 80 miles west of Caliente and three miles southeast of Rachel (Map #1).

The Bald Mountain Allotment encompasses approximately 218,229 acres. The extreme north portion of the allotment is located within the Sand Springs Watershed (#204) while the remaining portion of the allotment is located within the Tikaboo Valley Watershed (#213).

The allotment isn't associated with either a Wild Horse Herd Management Area (HMA) or desert tortoise habitat. However, a portion of the Mt. Irish Wilderness Area is located in the extreme northeast portion of the allotment which is characterized by steep, rugged terrain.

An evaluation of rangeland monitoring data and rangeland health will be conducted for the allotment. This data will be summarized in a Standards Determination Document that will be provided for public review at a later date.
